

Can't Smile Without You

You know I ca~n't smile without you, I can't smi~le without you
I can't laugh, and I can't sleep, I don't even talk, to people I meet

And I feel sad when you're sad, I feel glad when you're glad
And you must know~ what I'm goin' thru
I just can't smile, without you<2.4>

You came along, just like a song, you brightened my day
Who'd believe you were, part of a dream, that only seemed, light years away

And you know I can't smile without you, I can't smile without you
And you must know, what I'm goin' thru
I just can't smile, without you <2.4>

Some people say, the happiness wave, is somethin' that's hard to find
Into the new, leavin' the old beh~~~~ind (Up key C#) me

And I feel sad when you're sad, I feel glad when you're glad
And you must know what I'm goin' thru
I just can't smile, without you<2.4>

Into the new, leaving the old beh~~~~ind (Up key D) me

And I feel sad, when you're sad, I feel glad, when you're glad
