

Enter Sandman

Gtr<8.4>, drums <4.4>, distortion <8.4>, <8.4>, <9.1>

*Say your prayers little one, don't forget my son, to include everyone
I tuck you in, warm within, keep you free from sin
Til the sandman he comes*

Sleep with one eye open, gripping your pillow tight

Exit light, enter night, take my hand, we're off to Never-never land

<9.1>

*Something's wrong, shut the light, heavy thoughts tonight
And they aren't of Snow White
Dreams of war, dreams of liars, dreams of dragon's fire
And of things that will bite, yeah*

Sleep with one eye open, gripping your pillow tight

Exit light, enter night, take my hand, we're off to Never-never land

Gtr <25.1>

*Now I lay me down to sleep, now I lay me down to sleep
Pray the lord my soul to keep, pray the lord my soul to keep
If I die before I wake, if I die before I wake
Pray the lord my soul to take, pray the lord my soul to take*

*Hush little baby don't say a word, and never mind that noise you heard
It's just the beasts under your bed, in your closet in your head*

Exit light, enter night, take my hand, grain of sand<1.4>

*Exit light, enter night, take my hand, we're off to Never-never
land<3.4>*

Boo!<2.3> Yeah yeah!<8.4>

Take my hand, we're off to Never-never land

Take my hand, we're off to Never-never land

We're off to never-never land

We're off to never-never land

Metallica
