

How Does A Moment Last Forever

(Fast count) <4.4>

How does a moment last forever, how can a story never die
 It is love we must hold onto, never easy, but we try
 Sometimes our happiness is captured
 Somehow, our time and place stand still
 Love lives on inside our hearts, and always will<1.4>

Minutes turn to hours, days to years then gone<2.4>
But when all else has been forgotten, still our song lives on<2.4>

(Up key **D6**)

Maybe some moments weren't so perfect, maybe some memories not so sweet
 But we have to know some bad times, or our lives are incomplete
 Then when the shadows overtake us, just when we feel all hope is gone
 We'll hear our song and know once more, our love lives on

<3.4> (Ooh...<5.4>) <2.4>

How does a moment last forever, how does our happiness endure
 Through the darkest of our troubles, love is beauty, love is pure
 Love pays no mind to desolation, it flows like a river through the soul
 Protects, proceeds, and perseveres, and makes us whole

Minutes turn to hours, days to years then gone
 But when all else has been forgotten, still our song lives on~~
 How does a moment last forever, when our song lives, on
