

I Choose You

Slow Count <1.1>

Let the bough break, let it come down cra~shing
Let the sun fade out to a dark sky
I can't say I'd even notice it was abse~nt
Cause I could live by the light in your eyes

I'll unfold before you, what I've strung together
The very first words of a lifelong, love letter

Tell the world that we finally got it all right, I cho~ose, you~
I will become yours, and you will become mi~ne
I cho~ose, you~, I cho~~~~ose, you

Yeah~~~~<5.1>

There was a time when, I would have belie~ved them
If they told me you could not come true, just love's illu~sion
But then you found me~, and everything cha~nged
And I believe in something again

My whole heart, will be yours forever
This is a beautiful sta~rt, to a lifelong love letter

Tell the world that we finally got it all right, I cho~ose, you~
I will become yours and you will become mi~ne
I cho~~ose, you~, I cho~~~~ose, you

*We are not perfect, we'll learn from our mistakes
And as long as it takes, I will prove my love to you*

*I am not scared of the elements
I am under-prepared, but I am willing, and even better
I get to be the other half of you*

*Tell the world that we finally got it all right, I cho~ose, you~~ yeah
I will become yours and you will become mi~ne
I cho~~ose, you~, I cho~~ose, you~, I cho~~~~ose, you*
