

I Wanna Dance With Somebody

Drums <2.4>, w Bass <4.4>, Music <11.1>

*Clock strikes, upon the hour, and the sun begins to fade
Still enough time to figure out, how to chase my blues away
I've done alri~ght~ up 'til now, it's the light of day that shows me how
And when the night falls, the loneliness calls*

*Oh! I wanna dance with somebody, I wanna feel the heat with somebody
Yeah! I wanna dance with somebody, with somebody who loves me
Oh! I wanna dance with somebody, I wanna feel the heat with somebody
Yeah! I wanna dance with somebody, with somebody who loves me*

<3.1>

*I've been in love, and lost my senses, spinning through the town
Sooner or later, the fever ends, and I wind up feeling down
I need a man who'll take a chance, on a love that burns hot enough to last
So when the night falls, my lonely heart calls*

*Oh! I wanna dance with somebody, I wanna feel the heat with somebody
Yeah! I wanna dance with somebody, with somebody who loves me
Oh! I wanna dance with somebody, I wanna feel the heat~~~
Yeah! I wanna dance with somebody, with somebody who loves me(overlap)*

*Somebody who, somebody who, somebody who loves me(overlap)
Somebody who, somebody who, to hold me in his arms oh*

*I need a man who'll take a chance, on a love that burns hot enough to last
So when the night falls, my lonely heart calls*
