

Kiss You Inside Out

<4.3>

*I don't know if you're ready to go, where I'm willing to take you girl
I will feel, every inch of your skin, and you know I can rock your world*

*Imma be the calm in the storm you're looking for
I'll be the shipwreck that takes you down
I don't mind if you lie in my bed, we can stay here forever now*

*Ooh ooh, turn off the lights, take off your clothes, turn on the stereo
Ooh ooh, give up the fight, I'm in control, why don't you let it go*

*I wanna know, you inside out, I'll spend my life, trying to figure out
Just close your eyes, and shut your mouth, and let me kiss you inside out*

<2.3>

*I don't care if you steal all my air, we can breath in together as one
It's all right, if you're here every night, waking up with you in the sun*

*We start with an hour and we find we waste the day
Kicking back with the love we found
I don't mind if you lie in my bed, we can stay here forever now<1.3>*

*Ooh ooh, turn off the lights, take off your clothes, turn on the stereo
Ooh ooh, give up the fight, I'm in control, why don't you let it go<2.1>*

*I wanna know, you inside out, I'll spend my life, trying to figure out
Just close your eyes, and shut your mouth, and let me kiss you inside out*

*Let me love you, let me love you, let me love you babe(3x)
Let me love you, let me love you, let me love(immediately)*

I don't mind if you lie in my bed, we can stay here forever now

*Ooh ooh, turn off the lights, take off your clothes, turn on the stereo
Ooh ooh, give up the fight, I'm in control, why don't you let it go*

*I wanna know, you inside out, I'll spend my life, trying to figure out
Just close your eyes, and shut your mouth, and let me kiss you inside out*

*I wanna know, you inside out, I'll spend my life, trying to figure out
Just close your eyes, and shut your mouth, and let me kiss you inside out*
