

## Material Girl

<16.4>

*Some boys kiss me, some boys hug me, I think they're okay  
If they don't give me proper credit, I just walk away*

*They can beg and they can plead but  
They can't see the light, that's right, that's right  
'Cause the boy with the cold hard cash, is always Mister Right*

*'Cause we are living, in a material world, and I am a material girl  
You know that we are living, in a material world  
And I am a material girl*

<4.4>

*Some boys romance, some boys slow dance, that's alright with me  
If they can't raise my interest then I'll, have to let them be*

*Some boys try and some boys lie but  
I don't let them play, no way, no way  
Only boys that save their pennies, make my rainy day*

*'Cause we are living, in a material world, and I am a material girl  
You know that we are living, in a material world  
And I am a material girl*

<8.4>

*(Living in a material world) Material (living in a material world)  
(Living in a material world) Material (living in a material world)*

*Boys may come and boys may go and that's alright you see  
Experience has made me rich and now they're after me*

*'Cause everybody's living in a material world  
And I am a material girl  
You know that we are living in a material world  
And I am a material girl*
