

Million Reasons

<4.4>

You're giving me a million reasons to let you go
You're giving me a million reasons to quit the show
You're givin' me a million reasons, give me a million reasons
Givin' me a million reasons, about a million reasons (*immediate*)

If I had a highway I would run for the hills
If you could find a dry way I'd forever be still
But you're giving me a million reasons, give me a million reasons
Givin' me a million reasons, about a million reasons (*immediate*)

I~ bow down to pray, I try to make the worse seem better
Lord~ show me the way, to cut through all his worn out leather
I've got a hundred million reasons to walk away
But baby I just need one good one to stay <1.4>

Head stuck in a cycle I look off and I stare
It's like that I've stopped breathing but completely aware
'Cause you've given me a million reasons, give me a million reasons
Giving me a million reasons, about a million reasons (*immediate*)

And if you say something that you might even mean
It's hard to even fathom which parts I should believe
'Cause you've given me a million reasons, give me a million reasons
Givin' me a million reasons, about a million reasons

I~ bow down~~ to pray, I try to make the worse seem better
Lord~~ show me~ the way, to cut through all his worn out leather
I've got a hundred million reasons to walk away
But baby I just need one good one to stay
Aye-eee-ayeee-ay-ayyee, oh baby I'm bleedin' bleedin'
Aye-eee-ayeee-ay-ayyee, can't you give me what I'm needin' needin'
E~very heartbreak makes it hard to keep the faith
But baby I just need one good one good one
Good one good one good one good one (immediate)

When I~ bow down to pray, I try to make the worse seem better
Lord~, show me the way, to cut through all his worn out leather

I've got a hundred million reasons to walk away
But baby I just need one good one good one
Tell me that you'll be the good one good one
Baby I just need one good one to stay~ aye eee ayeee
