 So close no matter how far

 Couldn't be much more from the heart
 | D | G B7 | Em
 Forever trusting who we are, and nothing else matters

Never opened myself this way, life is ours, we live it our way
 All these words I don't just say, and nothing else matters

Trust I seek and I find in you, every day for us something new
 Open mind for a different view, and nothing else matters

Never cared for what they do, never cared for what they know
 But I know

So close no matter how far, couldn't be much more from the heart
 Forever trusting who we are, and nothing else matters

Never cared for what they do, never cared for what they know
 But I know

Never cared for what they do, never cared for what they know
And I know*
