

Right Here Waiting

<11.2>

Oceans apart, day after day, and I slowly go insane
I hear your voice, on the line, but it doesn't stop the pain

If I see you next to never, how can we say forever

Wherever you go, whatever you do, I will be right here waiting for you
Whatever it takes, or how my heart breaks
I will be right here waiting for you

I took for granted, all the times, that I thought would last somehow
I hear the laughter, I taste the tears but I can't get near you now

Oh, can't you see it baby, you've got me going crazy

Wherever you go, whatever you do, I will be right here waiting for you
Whatever it takes, or how my heart breaks
I will be right here waiting for you

I wonder how we can survive, this romance
But in the end if I'm with you, I'll take the chance
