

The Young Ones

<8.3>

*The young ones, darling we're the young ones
And young ones shouldn't be afraid
To live, love, while the flame is strong
For we won't be the young ones very long*

*Tomorrow, why wait till tomorrow
Cos tomorrow sometimes never comes
So love, me, there's a song to be sung
And the best time, is to sing it, while we're young*

*Once in every lifetime, comes a love like this
Oh I need you, and you need me, oh my darling can't you see*

*Young dreams, should be dreamed together
Young hearts, shouldn't be afraid
And some, day, when the years have flown
Darling then we'll, teach the young ones, of our own*

Cliff Richard
