

## *You're My Everything*

*(strum once)*

*Na.....(intro melody)*

*You're my everything*

*The sun that shines above you makes the blue bird sing*

*The stars that twinkle way up in the sky, tell me I'm in love*

*When I kiss your lips, I feel the rolling thunder to my finger tips*

*And all the while my head in a spin, deep within, I'm in love*

*You're my everything and nothing really matters but the love you bring*

*You're my everything, to see you in the morning with those big, brown eyes*

*You're my everything, forever and the day I need you close to me*

*You're my everything, you never have to worry never fear, for I am near*

*Gtr <8.2>*

*You're my everything, I live upon the land and see the sky above*

*I'll swim within oceans sweet and warm, there's no storm, my love*

*You're my everything and nothing really matters but the love you bring*

*You're my everything, to see you in the morning with those big, brown eyes*

*You're my everything, forever and the day I need you close to me*

*You're my everything, you never have to worry never fear, for I am near*

*When I hold you tight*

*There's nothing that can harm you in the lonely night*

*I'll come to you and keep you safe and warm, yet so strong my love*

*When I kiss your lips, I feel the rolling thunder to my finger tips*

*And all the while my head in a spin, deep within, I'm in love*

*Da....*
