

Somewhere Out There

Free intro

*Somewhere out there, beneath the pale moon light
Someone's thinking of me, and loving me tonight*

*Somewhere out there, someone's saying a prayer
That we'll find one another, in that big somewhere out there*

*And even though I know how very far apart we are
It helps to think we might be wishing, on the same bright star*

*And when the night wind starts to sing a lonesome lullaby
It helps to think we're sleeping, underneath the same big sky*

*Somewhere out there, if love can see us through
Then we'll be together, somewhere out there
Out where dreams, come true <5.2>*
